Commencement

Friday, May 11, 2018

Clair T. Blikre Activities Center
Ed Werre Arena

SPECIAL INFORMATION FOR THE GRADUATION AUDIENCE

Please remain seated during the processional and recessional. Everyone will have a better view of the graduates if this procedure is followed.

PHOTOGRAPHS

Family and friends are welcome to use the center aisle in front of the stage to take pictures as their graduate is receiving his/her diploma. Please return to your seat promptly after the photo has been taken. Please do not obstruct the professional photographer's view. Photography backdrops are available for use before and after the ceremony in the back of the arena.

Professional photographs taken at this event may be used for NDSCS marketing purposes.

COMMENCEMENT OVERVIEW

Commencement is a formal ceremony American institutions of higher education conduct to award students the appropriate degree earned at the conclusion of a prescribed period of study. It is a practice dating back to the 11th Century when universities were being formed.

ACADEMIC PROCESSIONAL

The academic processional that begins the commencement ceremonies on college campuses is one of the oldest academic customs that links 21st century education with its early origins. At NDSCS the Stage Marshal leads the procession, followed by the College President and the Officers of the Institution; the faculty and the staff then follow - processing in to the arena based on years of service to the College.

COLLEGE MACE

The historical symbol of the mace was as a sign of authority used by knights or royal bodyguards to protect the king in processions. Today it has evolved into a ceremonial symbol, carried by the Stage Marshal the NDSCS faculty senate president. The NDSCS mace is representative of Old Main, the original building of the NDSCS campus. The mace is traditionally placed to the right of the speaker. The Stage Marshal officially opens and closes the commencement exercises.

ACADEMIC REGALIA

The academic regalia worn at commencement is of medieval origin. The gown is usually black, but some institutions have adopted a school color for their gowns. The gowns of bachelor and master's degrees are usually without trimming; those of doctorate degrees are faced down the front with velvet and with three velvet bars on the sleeves. The hood, worn over the back of the gown, is faced with colors which signify the field of study represented by the wearer's degree; the colors of the lining are those of the college or university which granted the degree. The length of the hood is correspondingly longer with each higher degree. See page 20 for information on NDSCS specific regalia related to academic honors and involvement.
