- NURS 420L** Gerontological Nursing (3)
- NURS 450** Applied Pathophysiology (4)
- NURS 472** Leadership & Professional Development (3)
- NURS 473** Professional Pathways (3)

Admission Requirements

To be admitted to MSU Moorhead, you must have graduated from high school or successfully completed the GED. If you have completed a minimum of 24 academic semester credit hours or 36 academic quarter-hour credits from a regionally accredited college or university and achieved a minimum cumulative 2.0 GPA, you generally will be admitted to MSU Moorhead as a transfer student.

MSU Moorhead recognizes and upholds academic suspensions from other post-secondary institutions. If you are under suspension from another institution, you will not be considered for admission until two academic terms have passed since the suspension. Summer session does not count as a term.

You may apply for admission to MSU Moorhead before you complete your studies at another college. You will, however, need to forward a final transcript before enrollment. We reserve the right to revoke admission to students who, after final grades are received, do not meet the minimum 2.0 GPA. A higher GPA may be required for entry into some academic departments.

Minnesota State University Moorhead requires transfer students to comply with the following requirements:

- ▶ Completion of MSUM Liberal Arts & Sciences Curriculum (LASC) requirements or completion of the ND General Education Requirement Transfer Agreement (CERTA) courses.
- ▶ Adhere to MSU Moorhead and major GPA requirements.
- ▶ Fulfill transfer student Writing-Intensive requirements: one Writing-Intensive course at the 300 or 400-level designated by the student's major and one Writing-Intensive course at the 200-level or higher
- ▶ Complete a minimum of 40 credits at the 300 and 400 level.
- ▶ **Technical college credits** will transfer up to a block of 16 credits unless part of an articulated program; additional credits may then be granted.
- ▶ Developmental courses do not count toward graduation (typically numbered less than 100/1000) will not transfer.

For help with your questions on transferring to MSU Moorhead contact the Admissions Office at 218-477-2161.

Electives (17 cr)

Nine credits must be upper division courses. Students should work with their MSUM advisor for the best courses.
