

NDSCS-Wahpeton

EMERGENCY PLAN for WINTER STORMS

When dangerous winter conditions exist and it is verified with appropriate agencies, NDSCS Wahpeton location will follow these procedures.

NOTE: There will be times when both NDSCS-Wahpeton and NDSCS-Fargo will be closed, and other times when one location will be closed and the other one is open. Please be very careful to read and listen to the full messages so no confusion occurs.

- I The President or designee will review and will act on the following conditions:
 - A) **Closure**- means the college has closed all offices, classes, and activities. Designated Emergency Personnel will report for work. Closure will be announced over ENS (emergency notification system), designated radio, TV stations and newspaper internet site. If conditions allow adequate time for deciding to close, notifications will be at 5:00 a.m. or before. Subsequent announcements may be made as conditions dictate.
 - B) **Cancellation** - means regular classes and night classes are canceled due to inclement weather conditions, however offices will be open & employees will report for work. Cancellation will be announced over ENS (emergency notification system), designated radio, TV stations and newspaper internet site. If conditions allow adequate time for deciding to close, notifications will be at 5:00 a.m. when possible.
 - C) **Storm Shelter** - The college will make every effort to maintain class schedules and all other services if weather conditions change and deteriorate. If the college cancels classes during the daytime due to extreme weather conditions, the following safety procedures are recommended for your personal safety.
 - 1) If you reside out of the Wahpeton/Breckenridge area, you are encouraged to find a storm home in the community with a friend, relative, another college employee or a motel. This will provide assurance for your personal safety and make it easier to return to work after the storm.
 - 2) The Residential Life Office will provide assistance for individuals needing emergency housing.
 - D) **Travel / Commuting**-
 - 1) Use caution for all other travel conditions such as cold weather, snowing and blowing travel advisories. Check with local law enforcement, campus police, or call 511 as to current conditions before leaving. Assure your car is in good condition and fill the tank with gas before leaving. Tell someone of your travel plans and route.
 - 2) Carry an emergency kit with hat, mittens, sleeping bag, blankets, flashlight, batteries, dried fruit, nuts, water, jumper cables, shovel, and a cellular phone. Always use common sense when traveling day or night during winter conditions.
 - 3) **If you get stuck stay with your car and call 911**
 - E) **Administration** - President or designee makes decisions on cancellation or closure.
 - F) **Emergency personnel and services required during college closure.**
 - 1. Administration – (671-2221)
 - 2. Campus Police (671-2233) - maintain communication and assist with transportation of emergency staff.
 - 3. Grounds Equipment Operations (671-2313) - In addition to operating snow removal equipment, they are expected to provide emergency staff transportation to the work site.
 - 4. Dining Services (671-2336) - preparation and serving of food for students and staff.
 - 5. Central Heating Plant (671-2292) - maintain building heat.
 - 6. Customer Service Desk (671-2109) – maintain switchboard communication in normal business hours.
 - 7. Student Center Building Services (671-2109) – lock and unlock buildings, clean and stock supplies.

Each department supervisor will be responsible for scheduling workload demands for those who will be called to work and maintaining a list of key designated personnel which includes storm and home address, storm, and home phone number. Emergency Services staff may be required to stay at a storm home or on campus in temporary housing for safety reasons and to assure that we have adequate help on campus.

II Cancellation of classes during the day. Procedures are as follows:

- A) When classes are canceled during the day a message shall be given to the Director of Safety or designee to initiate a ENS broadcast message to inform all employees and students of extreme weather conditions and cancellation information.

III All NDSCS Employees

In the case of official campus closure, **ONLY** employees designated by the department head will be required to work during the period when the institution is officially closed. Meetings may be held as required virtually.
