

Dear

NDSCS applied and received funding through the Coronavirus Aid, Relief, and Economic Security (CARES) Act which provides direct grants to students for emergency relief.

We are looking forward to having you on campus for the Technical Skills Session in August. NDSCS has chosen to utilize the CARES Act funding to cover your housing and dining charges for this session. You will receive the funds for your housing and dining directly from the fund and will need to pay that amount on your NDSCS account if you are staying on campus or reimburse yourself for expenses you paid out of pocket.

If you have any questions, please contact me at 701-671-2191.

Stay safe WILDCATS.
